Volunteer in Israel

M.A.D. (Make a Difference) for Israel:

Experience Israel in Depth

Whether you've been to Israel once or dozens of times, *M.A.D. (Make a Difference)* for Israel, sponsored by the United Jewish Fund and Council in partnership with the Jewish Agency's Partnership 2Gether, will help you connect to the country and its people in an entirely different and meaningful way, living and working alongside our Israeli partners in our sister region, around the Sea of Galilee.

Join our next session Sept. 2-13, 2012

Participants will live in a hotel and volunteer alongside Israelis in a variety of settings:

- in the Galita kibbutz chocolate factory,
- with kids at risk from the "Youth Futures" and "Elem" programs,
- with participants in the Disabled Soldiers Club,
- with small groups from the Tiberias area, teaching English,
- with the HaMeyasdim elderly association in the Jordan Valley.

Knowledge of Hebrew is unnecessary; just come with a flexible and open spirit.

"Experiencing life in Israel this way was marvelous. It is a very different view than one gets from a tour bus and different luxury hotels every few days." – Charlie Levine, 2011 participant.

The program includes all transportation within Israel and 90 percent of meal and accommodations costs. Priority is given to members of the St. Paul area Jewish community. Stipend available contingent upon meeting certain criteria.
